

Our project is called 'CREATION OF ROOM FOR ACTIVITIES OF LOCAL YOUNGSTERS ACCOMPANIED BY ACTIVITIES AROUND HORSES, YOUNG PEOPLE AND RANCH LIFE'. The objective of our project is creating local room for activities of local youngsters mostly with fewer opportunities and to do and organise regular activities around horses with the inclusion of young people at the 'ranch '-like life. We work through non-formal teaching, the sport of horse-riding and all activities around it.

The type of our project is Programme Countries, project involves 4 promoters (from different countries). The duration of our projects is nearly 11 months ( from 02/02/2012 to 20/12/2012. The duration of the EVS is 7 months and lasts from 07/02/2012 to 06/09/2012.

Main themes for our EVS Service are education through sport and outdoor activities and an other specified theme: development of personalities and rural activities. Voluntary service will be for the benefit of the local community.

Three volunteers with fewer opportunities are included in the project from three Programme Countries and the project-area takes place in Jankolovica, near of Biograd na more, in Croatia.

The activities for volunteers will be 1. Creation of a local room for activities of local youngsters and for activities around horses (physical job), 2. Activities around horses and youngsters (team building for children and young people, taking part in organising educational programs, 3. Activities around ranch life 4. Office work in general, 5. Various activities for community benefits.

The type of our project (the geographic scope our project covers) is Programme Countries.
